Fundraising

The Seattle Public School district funds the director's salary. The district gives no additional funds for the program.

The BHS Performing Arts Programs are funding from ASB funds (Associated Student Body) and Ballard Performing Arts Booster Club funds.

Two completely different pots of money.

ASB Funds

Any fundraiser where the student is doing the selling, the money goes into ASB funds.

These funds go to cover costs of uniforms (new, dry cleaning and repair), sheet music, instrument repair and replacement, and transportation for fieldtrips.

These funds cannot be used to pay for staff, coaching, or scholarships.

These funds do not go into the Boosters budget.

ASB Funds

Annual Fee – same for all BPA programs

\$135.00

Due September 15th

(camp fee is not the same as annual fee)

Additional Fees for:

Jazz Band I and II \$105.00

Percussion \$ 52.00

also due Sept 15th.

Trip Fees

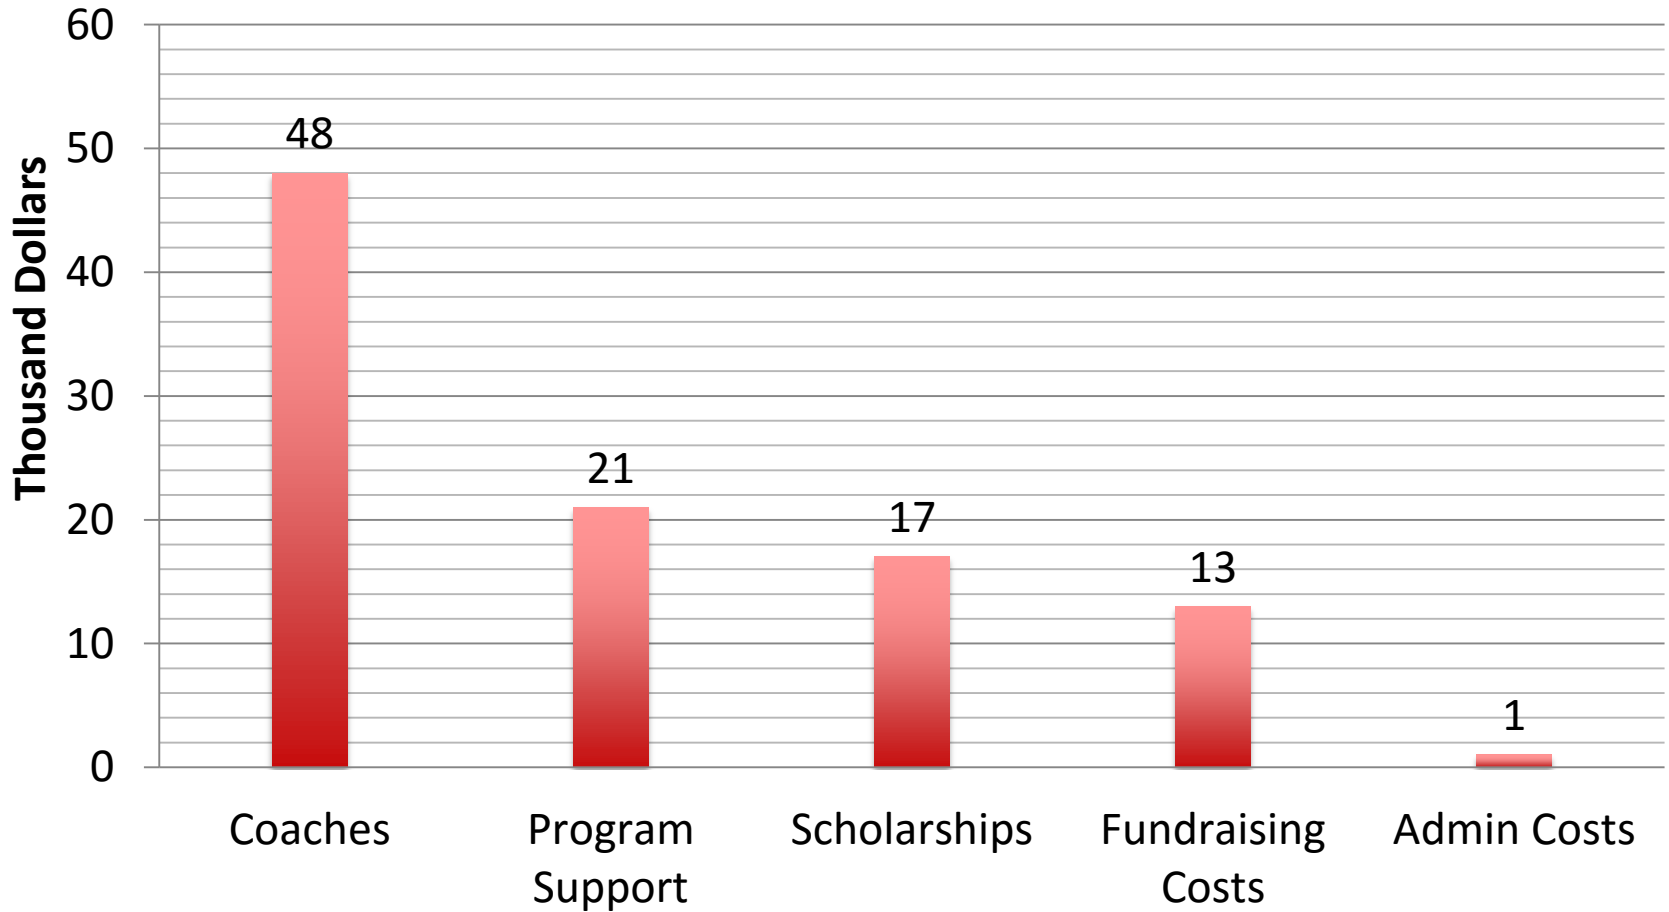

Some groups may go on trips during the school year. The fee charged is the cost of the particular trip. This usually includes transportation, accommodations, festival/entry fees, and some meals. These trips are not covered by any of the Annual Fees.

BPA Booster Funds

Events must be run primarily by families and the Booster Board.

These funds CAN pay for coaches and clinicians, scholarships and other support as classroom maintenance, piano tuning, recording fees, awards, fundraising expenses, and administrative costs.
