

Hello,

My name is Cynthia Kemp and I volunteer with the Ballard Performing Arts Booster Club. I have been a part of the Ballard High School community for many years; I was a teacher in the Social Studies department for almost 2 decades and I now have a sophomore playing bass drum in the band. As we return to in person school and programs, we are looking forward to another exciting year of performances. Our performing arts program includes band (marching and jazz), orchestra, several choirs and theater. We would like to offer you the opportunity to support this incredible program by becoming a corporate sponsor.

Sponsorships help fulfill the financial needs of the programs that are outside of the publicly funded options. This includes student scholarships, instrument maintenance, purchasing music, paying for coaching, uniforms, department needs and a host of other expenses.

After several years of canceled trips, we are excited to announce that all three of our music performing arts groups will be attending events this year. Concert Choir and Advanced Chorale will be traveling this spring (April 12<sup>th</sup>-16<sup>th</sup>) to New York City where they will participate in the Choirs of America Festival for Top Choirs at Queen's College and perform at Carnegie Hall! The choirs will collaborate with world class clinicians and listen to other excellent choirs from around the country. Students will also get to enjoy a Broadway show, as well visit the Top of the Rock, Central Park and the American Museum of Natural History. In April, the Ballard High School band will fly to California to visit Disneyland, as well as record a session with a Disney music director. The orchestra will travel with the band and visit Disneyland, but will perform separately. They will attend a university clinic and workshop at Disney.

We invite you to continue with your sponsorship for another year, or start supporting this award-winning program!
