

Hello,

My name is Rhea Patton and I volunteer with the Ballard Performing Arts Booster Club. I am new to the Ballard High School community as of last year and have a sophomore in Advanced Chorale. Our performing arts program includes band (marching and jazz), orchestra, several choirs and theater. We are looking forward to another exciting year of performances and would like to offer you the opportunity to support this incredible program by becoming a corporate sponsor.

Sponsorships help fulfill the financial needs of the programs that are outside of the publicly funded options. This includes student scholarships, instrument maintenance, purchasing music, paying for coaching, uniforms, department needs and a host of other expenses. We invite you to continue with your sponsorship for another year, or start supporting this award-winning program!
